Fri.—Sat. 10 a.m. to 5 p.m.

Summer Programming 2019

Weekly Story Time - Every Wednesday @ 10:30 a.m.

Children age 0-5 and their parent/guardian are invited to join us every Wednesday morning for story time!

Special Night Story Times - 5:30 p.m. (dates below)

We'll have two special nighttime story times this summer, revolving around our space theme. Join us **Monday, June 17th** and/or **Thursday, July 18th** at 5:30 p.m. Designed for children ages 3-7, but all are welcome.

Kick-off Movie - Monday, June 3 @ 1 p.m.

Kick-off the Summer Reading Program and get excited about our space theme by watching a movie at the Clear Lake Public Library. Bring a blanket or pillow to lay on the floor if you'd like. Snacks and drinks will be provided!

Swim Until Sunset - Friday, June 21 @ 7 - 9 p.m.

Celebrate the Summer Solstice, the longest day of the year, with a night swim. Sunset is officially at 8:56, so grab your suit and meet us at the Clear Lake Aquatic Center to swim until sunset! There will be activities poolside, as well as outer space-themed beach balls in the pool. All registered Summer Reading Program participants invited to attend. No admission charged but all other pool rules apply. Children under 8 must be accompanied by an adult over 16.
Subject to cancellation due to weather or low temperatures.

Blank Park Zoo - Tuesday, June 25 @ 10:30 a.m.

Come learn about 'otherworldly animal adaptations' during this live animal program! Just as an astronaut needs a spacesuit in outer space, animals require many special adaptations to survive in their environments.
Please arrive early to ensure a seat. Doors will close once animals are being shown.

IPTV's Dan Wardell - Monday, July 8 @ 10:15 a.m.

Dan Wardell, popular host of the IPTV Kids Clubhouse, is headed back to our library this summer! Come prepared to have a "Dantastic" adventure as Dan encourages kids to turn off the TV, go outside and play, use their imaginations, and read a good book. Don't miss your chance to see Dan in person!

ISU Insect Zoo - Wednesday, July 10 @ 1:30 - 2:30 p.m.

Many aliens look just like our buggie friends here on earth! During this 1-hour display, participants will get to see over 100 species of living, alien-looking bugs up-close and personal. There will be many hands-on opportunities, as well as the chance to win a buggie surprise. This come-and-go program will begin with a 15-minute talk on the animals but participants may enter and leave when they'd like.

50th Anniversary of Apollo 11 Celebration - Saturday, July 20

Fifty years ago, Apollo 11 landed on the moon and history unfolded as Buzz Aldrin proclaimed his famous line, "That's one small step for a man, one giant leap for mankind." Celebrate the 50th anniversary with us all day (10 a.m. - 5 p.m.) with self-led activities for all ages!
